Dear Visitor

As a construction professional, **BLACK BOX GREEN SRL** invites you to visit the next edition of **SAIE Bologna** for free - the Construction Fair: design, construction, systems - to be held at **Bologna Fiere** from 19 to 22 October 2022.

**SAIE** will be an innovative and useful business and networking opportunity to reconnect and create new business relationships between professionals, to present products, methods and tools to make the sector more efficient, profitable, safe, collaborative and sustainable.

The paths of **SAIE 2022**: Infrastructure, Sustainability, Innovation, People at the center

A unique event of its kind in Italy, designed to represent the entire construction chain in an integrated way, in which perspectives and scenarios are outlined for a system that interacts in a synergistic way.

We look forward to seeing you at **SAIE Bologna**: the main event of the year for the construction sector!

**COME AND VISIT US - WE ARE WAITING FOR YOU AT OUR STAND:**
